FOURTH AMENDMENT UNDER RULE 116

Responsive to the Office Action dated January 11, 2005, entry and consideration of the following amendments and remarks are requested.

A fee for consideration and entry of this Amendment should not be required as the applicants responded to the final Office Action of January 11, 2005 within two months of the mailing date (i.e., on February 9, 2005) of the final Office Action and an Advisory Action has not been mailed, it now being after the three month shortened statutory period from the mailing of the final Office Action, such that the shortened statutory period has still not expired. See, page 3 of the Office Action dated January 11, 2005.

MAERTENS, et al.
Appl. No. 09/851,138
May 12, 2005

A first Amendment Under Rule 116 responsive to the Office Action of January 11, 2005 was filed February 9, 2005. The undersigned has not received a response from the Examiner as to whether the Amendment filed February 9, 2005 has been entered. An Advisory Action in response to the Amendment of February 9, 2005 has not been received.

The undersigned has spoken with the Examiner on March 30, 2005 and received subsequent telephone messages from the Examiner on March 30, 2005, indicating that the previously-withdrawn Section 102 rejection of claims 63, 64 and 65 over van Doorn (J. Hepatology July 1994, vol. 21(1), pp 122-129) would be made again in a new Office Action which reopened prosecution, and invited the applicants to amend the indicated claims to further distinguish over the cited reference,. A Second Amendment Under Rule 116 was filed April 1, 2005, in response.

The Examiner contacted the undersigned on April 12, 2005, indicating that the Second Amendment Under Rule 116 would not be entered and the Examiner suggested the further amendments to claims 63 and 65 which were presented in the Third Amendment Under Rule 116 filed April 18, 2005, to overcome the van Doorn reference. The amendments were made to advance prosecution and without prejudice. The applicants have not received an Advisory Action in response to the Third Amendment Under Rule 116 filed April 18, 2005.

The undersigned was again contacted by the Examiner on May 10, 2005, wherein the Examiner requested the further amendments made herein in response to concerns from an un-named "Quality Review person". The Amendments of February 9,

MAERTENS, et al.
Appl. No. 09/851,138
May 12, 2005

2005 and April 18, 2005 are repeated herein as the Examiner has not indicated the status of the previously-filed Amendments.

Entry of the present Amendment and allowance of the application are requested.
